Monday - Tuesday Night Competition

Hi to all our darts players after a long break due to Covid. I am endeavouring to get our association competition back up and running.

Due to social distancing rules and the unpredictability of the Covid pandemic I am trying to make our competition a little future proof for the short term so we can sustain play unless the club has to close its doors.

There for we will have to play on 2 separate nights Division 1 on Monday & Division 2 on Tuesday. This is so way can miss dart boards and be socially distanced. Hopefully if all goes well with Covid we may be able to return to normal for the second comp. (*Thank you to Tuesday Night social for agreeing to move to Wednesday night as Table tennis prevents the comp from playing Wednesday*)

The format of play will be the same except there will be no Triples. Just Singles and Doubles both being 501.

Players must remain seated when not playing or scoring as to abide with Club Covid Safe Rules.

I am hoping that the majority of teams will return although I expect a few may not. If only a handful of teams return, then we may be looking at a completely different out come ie: 1 division 1 night but as I do not have a crystal ball I can only wait see which teams will be returning.

If you have any questions please don't hesitate to contact me.

Kind Regards

Andy
